

# Vengeance Essential Clubsounds Vol. 4

- over 3100(!) high quality clubsounds from the archives of Manuel Schleis & Manuel Reuter
- around 70% are oneshot samples!
- all drumloops, fills and breakbeats at 140 BPM and precisely cut
- all tonal sounds and melody loops with exact root key (note c for all oneshot synths)
- basses and kicks optimized for maximal pressure in the clubs
- huge guitar loops folder with incredible melody guitars for break passages (128 & 140BPM)
- cool "scratch" folder with professional scratched vocal- and drumfills!
- reasonably sorted in categories like CL Hihats, FX, Snares, Synths etc...
- can be imported into every sampler on the market (standard WAV format)
- many melody loops and special sounds for immediate use
