

Vengeance Essential Dubstep Vol. 2

- over 2700 high quality dubstep sounds by Vengeance
- around 60% are oneshot samples
- drum and melody loops available in 3 different tempi: 128, 140, and 160BPM
- all tonal sounds and melody loops with exact root key
- new "multi drumloop" folder: all elements of a loop as an individual single loop
- optimized dubstep snares for a totally insane brutal impact!
- synth oneshot samples and complete synth phrases to build complex/dub sequences
- reasonably sorted in categories such as hihats, snares, kicks, percussions, FX, etc...
- can be imported into every sampler on the market (standard WAV format)
- many melody loops and special sounds for immediate use
