

Vengeance Freakz On Beatz Vol. 3

- more than 1650 dark minimal / Tech-House samples
- around 1150 oneshot samples and 500 loops
- created by the "minimal veteran" Pascal Feos & friends
- "ready to use" optimized: just drag the samples and loops into your track and start groovin'
- all loops are with BPM information and are precisely cut
- loops consist of drum- and synth / melodyloops
- cutting-edge audio quality and pressure - straight & authentic minimal sound
- more than 710 MB of data / 1668 WAV files
