

# Vengeance Pop Essentials Vol. 2

- over 2400 high quality EDM and Pop sounds created by Stephan Endemann
- contains around 2/3 oneshots and 1/3 loops
- all loops, fills, etc. in 128 BPM
- all tonal sounds and melodic loops with exact root key
- live played slap bass loops and oneshots!
- female & male vocal hooks, including MIDI files demonstrating the harmonics
- reasonably sorted in categories, such as closed hihats, effects, snares, claps, etc.
- can be imported into every sampler on the market (standard WAV format)
- many melody loops and special sounds for immediate use
